Animal Identification Information Sheets

Please list the names of the individuals and their phone numbers who are to receive the processed meat. Indicate if they are to receive a whole beef, 1/2 beef, front 1/4 or hind 1/4 beef; a whole or 1/2 hog.

You must also list the animal's ear tag number, hand applied tag, animal markings, breed, etc. to enable us to identify your correct livestock. Failure to do **ALL OF THE ABOVE** could result in guess work and Swiss Meat cannot and will not be held responsible for any livestock not properly given to the correct party.

Thank You, Mike Sloan, Manager
